

## edge of reason

**Bathrooms International:**

For the ultimate candle-lit soak, the Nara Infinity bath is sure to bring a touch of romance to any spa suite. This Rolls Royce of the bathing world allows complete submersion thanks to its infinity edge. Made from Ceralite, the unit can be colour-matched to any shade, imitating marble or even stonework for an authentic finish. A discreet, 12-point turbo jet whirlpool and air bath system can also be fitted, along with chromatherapy lighting.
