

can quickly and effectively change the mood of your bathroom – bright for the morning rush, relaxing gloom in the evening.”

Clare Gauci also recommends you carry elements of the bedroom into the ensuite to ensure a flowing aesthetic. “You could stick to a similar colour scheme throughout. Or if you’re feeling a tad adventurous, why not make a feature wall in the ensuite with the same wallpaper you’ve used in the bedroom?”

For the floor it is more practical to fit tiles in the ensuite but you can opt for a complementary shade of carpet in the bedroom to allow definition between the areas without separating them. **[KBB]**
